Miss Jessica (Long Pasture) & Miss Ellen

- *Designed for the 4-year-old and 5-year-old child, this program provides a fun learning experience in nature
- * A Long Pasture Naturalist will engage the group of children with their parents, through fun activities and themed learning experiences at the Long Pasture Wildlife Sanctuary
- *Exploration through sensory, hands-on activities will promote learning about science and nature
- * Families will have the opportunity to make nature journals documenting their learning experiences each week
- *In addition, gross motor skills will be used when taking a walk through a path or along the grounds of the Wildlife Sanctuary, to observe, and to talk about the surrounding

Long Pasture Wildlife Sanctuary is part of the Massachusetts Audubon Society and is located on Barnstable Harbor off 6A close to Barnstable Village. Explore butterfly-filled meadows, woodland trails, farm animals, vernal pools, ponds and tidal flats!

Funded by the Coordinated Family and Community Engagement (CFCE) Grant of the Massachusetts Department of Early Education and Care and by Cape Cod Child Development. Please register for this group by visiting our website at www.cccd.org, calling us at 508-775-6240 x 512, or emailing ehyde@cccd.org
